

X-TRAIL

Ti interior shown.

The Nissan X-TRAIL can take you just about anywhere, carrying just about anything. As well as a powerful petrol or fuel efficient turbo diesel engine, it boasts intelligent ALL MODE 4x4-i technology including an Electronic Stability Program (ESP), Active Brake Limited Slip (ABLS), and Traction Control System (TCS). Plus now the X-TRAIL Ti and TL models have great new technology: a 7 inch colour display with touch screen, Satellite Navigation with 3D mapping and SUNA GPS Traffic Updates™, Bluetooth®

handsfree phone system (with compatible phone models), full iPod connectivity via USB, reversing camera, Bluetooth® audio connectivity and DVD player. Add that to X-TRAIL's spacious interior and incredibly versatile passenger and storage flexibility and you've got a compact 4WD that will shift the way you move.

Standard Not Available Opt Optional

Towball Download	Reduced Vehicle Mass
50kg	Nil
100kg	Reduced loaded vehicle mass below GVM** by 60kg
150kg	Reduced loaded vehicle mass below GVM** by 150kg
200kg	Reduced loaded vehicle mass below GVM** by 250kg

† Vehicle towing capacity is subject to towbar/towball capacity and design. Towing capacity may be reduced if a non genuine Nissan towbar is fitted. Please refer to the Genuine accessory brochure for towbar capacity information.

** GVM = Gross Vehicle Mass. GVM includes the driver, 4 passengers, full fuel tank and luggage.

If the loaded vehicle mass is reduced as shown in the table, the towball download can be increased correspondingly. Accordingly, if the laden mass is 250kg less than the GVM** a towball download of 200kg is approved. Different trailer types and different trailer manufacturers have varying towball downloads. The customer will need to contact the trailer manufacturer for information as to the download. Nissan does not recommend the fitting of load levelling or weight distribution devices when used with a Nissan Genuine towbar. When fitted and used correctly, the Nissan Genuine towbar is capable of meeting the towbar/towball capacity stated in the above table.
